### SUBSCRIPTION INFORMATION

The Job Information Lists are published four times during the academic year—in October, December, February, and April. All issues provide information about four-year colleges and universities; the February issue contains supplementary two-year college listings. The cost of a subscription for an MLA member in the continental U.S. and Canada is $12.00, and $16.00 for a member in Hawaii, Alaska, or overseas. Nonmembers pay $17.00 in the continental U.S. and Canada, and $21.00 in Hawaii, Alaska, or overseas. The Lists are sent by first-class mail to subscribers in the U.S. and Canada, and by airmail to all other areas. This April List is the last regularly scheduled issue for 1976-77; however, a special Summer Supplement containing last-minute notices of vacancies for fall 1977 will be mailed to all 1976-77 subscribers (both full-year and half-year) on 24 June. Renewal forms for 1977-78 will be included with the Supplement.

Further inquiries should be directed to Kristin M. Helmers, Coordinator, Job Information Service, 62 Fifth Avenue, New York, N. Y. 10011.
IN THIS ISSUE

Information for this issue was provided by 883 departments of English, comparative literature, and linguistics in U.S. and Canadian institutions; 863 departments had reported in the April 1976 List. The entries describe 223 definite or possible openings, as compared with 233 vacancies reported at this time last year.

GUIDE FOR USING THE JOB INFORMATION LIST

U.S. and Canadian Departments (pp. 1-18)

The main body of the List, arranged alphabetically by state (and by zip code within states), contains information from chairmen on definite or possible vacancies, comments on notices published in past issues (e.g., that a previously announced position has been filled, that a deadline has been extended, and so forth), and notices from chairmen who expect no vacancies but who would nevertheless like to keep resumes on file.

Read through this section item by item to see which departments would welcome your letter of application or inquiry at this time. Send letters only to departments expressing an interest in a person with your qualifications. If a chairman states that he expects no vacancies but would like to maintain a file of prospective candidates, you must decide in each case whether it is worthwhile to write.

Comparative Literature, Linguistics, and ESL Sections (pp. 18-20)

Notices in these fields have been separated out from the main body of the issue and placed under the appropriate heading, with cross-referencing to items on pp. 1-18 that might also be of interest. Candidates should read through the main body of the List carefully, however, since the cross-referencing is not exhaustive.

Additional Entries (pp. 20-22)

This section consists primarily of notices that arrived after the main body of the List went to press, but in time to be included in an appendix. "Additional Entries" also contains notices of nonacademic positions, overseas opportunities, and openings in private secondary schools, when such information has been supplied.

Departments Reporting No Vacancies (pp. 22-27)

This section lists departments reporting no openings for 1977-78; the departments have requested that candidates not send letters of application. Do not waste your time and the chairman’s time by writing to such departments; if an unexpected vacancy should occur, the chairman will list it in the Summer Supplement. The only no-vacancy departments to which you should write are those in the main body of the issue where the chairman has stated that letters or credentials will be kept on file.

REQUEST FROM THE MLA ADVISORY COMMITTEE ON THE JOB MARKET

The MLA Advisory Committee on the Job Market, working jointly with ADE and ADFL, is considering establishing guidelines for college English and language departments involved in recruiting new faculty. In order to do so, the Committee would like to gather information concerning job market abuses. Any job candidate who has encountered what he or she feels was unfair or abusive treatment should write a letter describing the occurrence to Neal Woodruff, Chairman, MLA Advisory Committee on the Job Market, c/o Department of English, Speech, and Theater, Coe College, Cedar Rapids, Iowa, 52402. To insure anonymity, Professor Woodruff will remove names and addresses from any letters forwarded to MLA staff or to members of the Committee.
