SUBSCRIPTION INFORMATION

The Job Information Lists are published four times during the academic year--in October, December, February, and April. All issues provide information about four-year colleges and universities; the February issue contains supplementary two-year college listings. The cost of a subscription in the U.S. and Canada is \$35.00 and \$47.00 outside the U.S. or Canada. The Lists are sent by first-class mail to subscribers in the U.S. and Canada, and by airmail to all other areas.

This April List is the last regularly scheduled issue for 1992-93; however, a special Summer Supplement containing last-minute notices of vacancies will be mailed to all 1992-93 subscribers (both full-year and half-year) on 21 June. Renewal forms for 1993-94 will be included in the supplement.

Further inquiries should be directed to Roy Chustek, Editor, Job Information List, MLA, 10 Astor Place, New York, NY 10003. Telephone (212) 614-6321.

IN THIS ISSUE

The April issue contains notices describing 78 definite and possible positions.

GUIDE FOR USING THE JOB INFORMATION LIST

U.S. and Canadian Departments (pp. 1-5)

The main body of the *List*, arranged in alphabetical order by state (and for Canada, by province), contains information on definite or possible vacancies, comments on notices published in past issues (e.g., that a previously published position has been filled or the deadline extended), and notices from departments that expect no vacancies but would nevertheless like to keep vitae on file.

Read through this section item by item to see which departments would welcome your letter of application or inquiry at this time. Send letters only to departments expressing an interest in a person with your qualifications. If a notice states that no vacancies are expected but that the department would like to maintain a file of prospective candidates, you must decide in each case whether it would be worthwhile to write.

In your letter of application, it is probably wise to express a willingness to be interviewed at the department's convenience.

Comparative Literature and ESL Sections (p. 5)

Notices in these fields have been separated out from the main body of the issue and placed under the appropriate heading.

Additional Entries (p. 6)

The "Additional Entries" section consists primarily of notices that arrived after the main body of the *List* went to press, but in time to be included in an appendix. The section also contains notices of nonacademic positions, overseas opportunities, fellowships and grants, as well as openings in private secondary schools, when such information is supplied.

Departments Reporting No Vacancies

A listing of these departments appears in the October and February issues.

COLORADO

Instructorship in American Studies University of Colorado at Boulder

The Sewall Residential Academic Program in American Culture and Society at the University of Colorado at Boulder seeks one non-tenure-track instructor to teach multiple small sections of a two-semester introductory sequence in American Studies. Primary instruction will be in AMST 2000 (Themes in American Culture: 1600-1865) and in AMST 2010 (Themes in American Culture: 1865-Present). The instructor will substitute a course in his/her area of specialty every third semester.

All candidates must have completed the Ph.D. with a concentration in American Studies as of the starting date (August 1993). In addition to the above-described formal instruction, the successful candidate must be willing to develop co-curricular activities (i.e. lecture series, etc.) related to the focus of the program and to motivate students to participate in these activities.

The Sewall Academic Program is a residential program for approximately 300 first- and second-year students. In addition to their regular courses, each Sewall Hall resident takes one Sewall course each semester. In addition to AMST 2000 and AMST 2010, a variety of other courses related to American culture and society are offered in Sewall Hall by CU faculty each semester. CU-Boulder offers an undergraduate major in American studies and has a large faculty with scholarly interests in American studies.

The search committee will begin reviewing applications on April 15. Interested candidates should submit letters of application and a curriculum vitae by no later than Friday, April 30, 1993 to Professor John S. Geary, Program Director, Sewall Academic Program, University of Colorado, Boulder, CO 80308-0353. Candidates should arrange for three letters of recommendation to be sent directly to the program director at the above address or by FAX at (303) 492-4944.
