SUBSCRIPTION INFORMATION

The Job Information Lists are published four times during the academic year—in October, December, February, and April. All issues provide information about four-year colleges and universities; the February issue contains supplementary two-year college listings. The cost of a subscription in the U.S. and Canada is $30.00 and $40.00 outside the U.S. or Canada. The Lists are sent by first-class mail to subscribers in the U.S. and Canada, and by airmail to all other areas; they should be received shortly after the publication dates listed below. Please note, however, that these are projected dates only and are subject to change without notice.

- October issue: 16 October 1987
- December issue: 19 November 1987
- February issue: 12 February 1988
- April issue: 15 April 1988

Further inquiries should be directed to Roy Chustek, Coordinator, Job Information Service, 10 Astor Place, New York, NY 10003.
IN THIS ISSUE

The December issue includes descriptions of 497 definite or possible vacancies; 414 were reported at this time last year. Readers should note that departments are not encouraged to repeat notices. If a listing that appeared in the October issue is not readvertised, the reader should not assume that the position is no longer available. The only reliable guide to application is the deadline on the original notice or an updated announcement in this List. The current listings are broken down by language as follows: French, 77 definite, 18 possible; Spanish, 97 definite, 20 possible; German, 48 definite, 4 possible; Italian, 19 definite, 4 possible; General Romance, 12 definite, 1 possible; Slavic, 33 definite, 9 possible; combined language fields, 12 definite, 2 possible; and linguistics, comparative literature, and other language fields, 124 definite, 15 possible.

GUIDE FOR USING THE JOB INFORMATION LIST

U.S. and Canadian Departments (pp. 1-24)
The main body of the List, arranged in alphabetical order by state (and for Canada, by province), contains information on definite or possible vacancies, comments on notices published in past issues (e.g., that a previously announced position has been filled or a deadline extended), and notices from departments that expect no vacancies but would nevertheless like to keep resumes on file.

Read through this section item by item to see which departments would welcome your letter of application or inquiry at this time. Send letters only to departments expressing an interest in a person with your qualifications. If a notice states that no vacancies are expected but that the department would like to maintain a file of prospective candidates, you must decide in each case whether it is worthwhile to write.

Comparative Literature, Linguistics, ESL, Classics and Middle Eastern and Asian Languages Section (pp. 24-29)

Notices in these fields have been separated out from the main body of the issue and placed under the appropriate heading, with occasional cross-referencing to items in the main body of the List that might also be of interest. Candidates should read through pages 1-24 carefully, however, since the cross-referencing is not exhaustive. If your field is ESL/EFL or bilingual education, check both the Linguistics and ESL sections, and then read through the main body.

Additional Entries (pp. 30-33)
The "Additional Entries" section consists primarily of notices that arrived after the main body of the List went to press, but in time to be included in an appendix. The section also contains notices of nonacademic positions, overseas opportunities, fellowships and grants, as well as openings in private secondary schools, when such information is supplied.
The Annual Convention of the Modern Language Association will be held in San Francisco, 27-30 December 1987. The Job Information Center will be located in the Moscone Center, Ballroom G and H for both English and foreign languages. PLEASE NOTE THE NEW OPEN HOURS FOR THE CENTER. The following services will be provided:

(1) Interviewer's Sign-In Desk. Departmental administrators or representatives who plan to hold job interviews during the Convention, whether in their own hotel rooms or in the Interview Area of the Job Information Center, should sign in (name, institution, hotel, and room number) at the main desk in the Job Information Center so that candidates with whom they have been in correspondence regarding interviews will be able to locate them. Although an interviewer's name may appear in Who's Where, it is often impossible for candidates to get through the busy hotel switchboards for room information. A brief stop at the sign-in desk by a thoughtful interviewer can save much confusion and worry for a candidate who has received a letter saying "I want to interview you. Get in touch with me at the Convention." If supplied with a list of candidates with whom the department has scheduled interviews, the MLA staff will release room information only to these people. The Sign-In Desk will be open from 12:00 noon to 6:00 p.m. on the 27th of December, from 9:00 to 6:00 p.m. on the 28th and 29th of December, and from 9:00 a.m. to 12:00 noon on the 30th. For the convenience of interviewers arriving after the 6:00 p.m. closing time on the 27th only, interviewing registration forms may be left at the MLA Information Center, Ballroom floor, San Francisco Hilton (not at the Job Information Center, which will be closed after 6:00 p.m.). The information provided will then be made available to candidates when the Job Center opens on the 28th at 9:00 a.m.

(2) Counseling Service. The Job Information Center Counseling Service affords job seekers the opportunity to discuss individual employment problems with experienced department administrators. While counselors cannot help candidates obtain interviews, they can and will offer objective, concrete advice on such matters as the appropriate content and presentation of vitae and letters of application, the kinds of institutions to which candidates might most profitably apply, and realistic approaches to job interviews. Counselors will be on hand at the Center to speak with interested candidates from 10:15 a.m. until 5:15 p.m. on the 28th and 29th of December. Appointments can be arranged through the staff member on duty in the Interview Area of the Job Center.

(3) Interview Areas. For the convenience of department representatives and candidates, there will be an interview area for English and foreign languages within the Job Center. Interviewers who wish to use this area should schedule their own interviews either by letter before the Convention or by leaving messages at the Message Center. Table assignments in the Interview Area, which will be open from 12:00 noon until 6:00 p.m. on the 27th, from 9:00 a.m. until 6:00 p.m. on the 28th and 29th, and from 9:00 a.m. until noon on the 30th, will be given to departmental representatives on a first come, first served basis. An MLA staff member will be on duty in the area to assist interviewers and candidates. No interviews that might last beyond the 6:00 p.m. closing time should be scheduled for the Interview Area.
Vacancy Notices. A list of job openings received too late to be included in the December Job Information List will be posted on bulletin boards in the Job Center. Departmental representatives who have last-minute vacancies should submit detailed descriptions of these to an MLA staff member in the Center, who will see that they are retyped on a large-type typewriter and posted on the boards. All such notices will also appear in the February Job Information List so that candidates who do not attend the Convention will have an opportunity to apply.

Message Centers. Open from 12:00 noon until 6:00 p.m. on the 27th, from 9:00 a.m. until 6:00 p.m. on the 28th and 29th, and from 9:00 a.m. until noon on the 30th, the Message Centers will help candidates and interviewers who have corresponded before the Convention to establish specific interview times and places. The Message Centers will not be useful to those who leave messages at random for persons who may not even be in attendance at the Convention. Such messages are not picked up and serve only to defeat the purpose of the Centers.

While every effort will be made to assist candidates and interviewers in the Job Information Center, it should be noted that the MLA does not have the facilities for introducing candidates and interviewers who have not corresponded prior to the Convention.

THERE IS VERY LITTLE OPEN INTERVIEWING AT THE CONVENTION. JOB CANDIDATES WHO DO NOT HAVE PREARRANGED INTERVIEWS SHOULD NOT PLAN TO ATTEND FOR THE SOLE PURPOSE OF SEEKING EMPLOYMENT.

Job candidates, departmental administrators, and representatives who wish to use the facilities of the Job Information Center must be registered for the Convention.
MEETINGS OF INTEREST TO JOB CANDIDATES AT THE MLA CONVENTION

Richard Irish Job Clinic. Saturday, 26 December, 4:00 p.m. Marin Room, San Francisco Hilton. Continues 27 December; concludes 28 December, 12:00 noon. Separate fee and registration required.

1. A Preconvention Workshop: The Job Search in English. Sunday, 27 December, 4:00-5:30 p.m., Continental 7 and 8, Hilton.

2. A Preconvention Workshop: The Job Search in Foreign Languages. Sunday, 27 December, 4:00-5:30 p.m., Barcelona II, Renaissance.

NOTICE ON TENURE POLICIES

The Modern Language Association recommends that department administrators and their representatives inform candidates before or during the interview about the prospects for tenure in the specific position under consideration and about the tenure policies and practices in their departments and institutions. If the information is not offered, candidates are urged to inquire about these policies.

ACKNOWLEDGEMENT OF APPLICATIONS

Acting on a recommendation from the MLA Delegate Assembly, the MLA Executive Council has adopted a policy calling for departments to acknowledge all applications for announced positions either by letter or by self-addressed postcards provided by applicants.
