

Calls for Papers for 2009 Convention in Philadelphia

The 2009 convention will be held in Philadelphia. Members should familiarize themselves with the guidelines for the MLA convention, which appear on the MLA Web site (www.mla.org) and in the September 2008 *PMLA* (pp. 889–94), before writing to the organizers listed below. If not provided, organizers' addresses are available on the MLA Web site to MLA members and listed in the September 2008 *PMLA*. All participants in convention sessions must be MLA members by 7 April 2009. Organizers are responsible for responding to all inquiries. A member may participate as speaker or respondent only twice (e.g., by organizing and chairing a meeting, reading a paper, or serving as a speaker, panelist, or respondent in one or two sessions) at a single convention.

Calls for papers are limited to thirty-five words, including the session title but not the name or address of the organizer. Groups that announce two or more calls for papers with the same contact person list the contact person only once.

Deadline for Audiovisual Requests

All requests for audiovisual equipment must be made by the chair of the session by **1 April**. Requests must be received by mail or by fax by 5:00 p.m. on this date. Because the need for audiovisual equipment is a major factor in the scheduling of meetings (and because the movement of equipment is both costly and hazardous), the deadline is firm. Participants should indicate their audiovisual needs when they respond to a call for papers and should check with the chair of the session or with the MLA convention office to be sure that the necessary equipment has been ordered by 1 April.
